## “MIGHTY 100 ENGINEERS”: A Challenge from the “Mighty Seven”

Nashville, Tenn. – The “Mighty 100 Engineers” Endowment Campaign continues to be in full swing. Thus far, seven alumni have expressed their support and commitment by contributing a \$1,000.00 or more seed towards the Endowment Fund. These ‘Mighty Seven Engineers’ challenge all TSU Engineering Alumni to meet or exceed their monetary commitment. Alumni who have donated gifts of at least \$1,000 thus far are: **William A. Lawson, Alexis D. Nunley, David Hightower, Nevin R. Harton, Charles Flack, and Roosevelt Luster. Joseph Cleveland** has made a ‘committed pledge’ in excess of \$1,000. Look for their profiles in future newsbriefs and find out how so few have done so much.

The generosity of a few alumni has made meeting our endowment seed goal a possibility; we need 93 additional alumni to sow a gift of \$1000.00 to make it a reality. Contributions can be made in lump sum payment or in monthly installments. Any monetary gift is accepted; however, alumni must sow a \$1000.00 gift to be recognized as one of the ‘Mighty 100 Engineers’. Alumni wishing to make committed pledges may do so by e-mail. All contributions must be received by closure of the ‘Mighty 100 Engineers’ campaign, which ends on September 28, 2006. **Think, Work, Serve, Support.**

All contributions to the TSU Engineering Endowment are tax deductible. Make your checks payable to the **'TSU National Alumni Association'** and on the memo line of your check PLEASE specify **'Engineering Endowment'**. Please mail your check to **"TSU Engineering Alumni Chapter, Attn: Marvin Evans, Jr., Treasurer, P.O. Box 17910, Nashville, TN 37203"**. Committed pledges should be emailed to <mailto:msevans719@bellsouth.net>.

"The TSU College of Engineering, Technology, and Computer Science was founded in 1951 to develop outstanding minority students to lead in the fields of engineering, technology, aeronautics, computer science, and research. The TSU Engineering Alumni Association welcomes all TSU students who attended or graduated from the TSU College of Engineering, Technology, and Computer Science to become active participants of the association, to support and further the mission of the college, regardless of degree field, age, sex, race, or nationality. For membership information go to [www.tsuengralumni.org](http://www.tsuengralumni.org)."
