“MIGHTY 100 ENGINEERS”: 2 Months and Counting

Nashville, Tenn. – Just over two months remain in the TSUEAA’s effort to create an endowment for TSU’s College of Engineering, Technology, and Computer Science. While time is winding down, great strides can be made in three months. Make your contribution, get your blue hard hat, and join the 99 others who will make the same commitment and meet you center field at the 2006 TSU Homecoming Game.

Contributions can be made in lump sum payment or in monthly installments of \$250.00. All gifts are accepted; however, a \$1000.00 gift must be received to be recognized as one of the ‘Mighty 100 Engineers’. All contributions must be received by closure of the “Mighty 100 Engineers” campaign, which ends on September 28, 2006. To find out about the Alumni who have committed thus far, go to [“MIGHTY 100 ENGINEERS” PROFILES OF EXCELLENCE](#) to see who they are. **Think, Work, Serve, Support.**

All contributions to the TSU Engineering Endowment are tax deductible. Make your checks payable to the **'TSU National Alumni Association'** and on the memo line of your check PLEASE specify **'Engineering Endowment'**. Please mail your check to **"TSU Engineering Alumni Chapter, Attn: Marvin Evans, Jr., Treasurer, P.O. Box 17910, Nashville, TN 37203"**.

"The TSU College of Engineering, Technology, and Computer Science was founded in 1951 to develop outstanding minority students to lead in the fields of engineering, technology, aeronautics, computer science, and research. The TSU Engineering Alumni Association welcomes all TSU students who attended or graduated from the TSU College of Engineering, Technology, and Computer Science to become active participants of the association, to support and further the mission of the college, regardless of degree field, age, sex, race, or nationality. For membership information go to www.tsuengralumni.org."
